

NETWORK'S INTERNET PRIVACY POLICY

Welcome to NETWORK of Community Ministries, Inc.'s ("NETWORK") web site. We are concerned about and respect your privacy while visiting our web site. NETWORK will never sell, lease or rent your confidential information, and we will always endeavor to take steps to assure that the financial information you provide to us will remain secure. While visiting our site, we want you to feel safe in your online experience. Please take a moment to review the following valuable information.

Collection of Information

NETWORK does not collect personal information without your knowledge while you are visiting our web site. However, NETWORK allows you to provide personal information on our web site. Among other things, you can make donations, offer your thoughts, opinions, concerns, ideas, personal experiences, questions and/or suggestions.

Overall, the information we collect is limited to the substance necessary to facilitate our response to your specific request. For example, if you request to have a resource sent to you and/or make a donation, NETWORK will collect the information necessary to complete this transaction which may include your contact information, credit card number and/or other relevant information. If you offer your thoughts, comments, opinions, concerns, ideas, personal experience, ask questions, etc., NETWORK will collect that information and may use it to:

- respond to your correspondence, questions, comments, suggestions, thoughts, opinions, concerns or ideas to fulfill a resource request;
- continually update, develop, design and customize the content of our web site to meet the needs, interests and requests of our audience; and/or
- contact you via e-mail to confirm specific resource or information requests, confirm subscription information, inform you of new initiatives or special events, or provide information we think may be of particular interest to you.

The NETWORK web site may provide links to external web sites maintained by external individuals or organizations. Once you access information that links you to another web site, you are subject to the privacy policy of the web site containing the information you have linked to.

NETWORK reserves the right to make changes to this privacy policy at any time and requests that you regularly review this policy for updates.
