

DONOR ASSURANCE STATEMENT

The **NETWORK** of Community Ministries, Inc. a 501 (c) (3), was created in 1985 to assist those in our community who have found themselves in crisis.

Every donation received by **NETWORK** is used to carry out the Mission as designated by the donor, or if undesignated, as determined by the current needs of Emergency Services, Seniors' Net, and our Adolescent and Children's Clinic.

We are confident that 84 % of every monetary donation we receive goes directly to these programs.

In 2010, our volunteers contributed 47,780 hours and food contributions exceeded 474,527 lbs. Be assured that we are mindful of your trust when you make a donation of any type to **NETWORK**, and we take that responsibility very seriously.

Your generosity and caring spirit enable **NETWORK** to *Impact Lives*. Thank You.

Annual Auditor's Report, Financial Statement, and IRS Form 990 available upon request.
